Collision Auto Parts is a leading value-added distributor of aftermarket automotive collision repair parts serving markets in the Western U.S. with six distribution facilities. The Company's product categories include bumper covers, grilles, fender lines, hoods, tail lamps, head lamps and others. Collision Auto Parts utilizes a robust fleet of trucks to deliver parts to customers on a daily basis. Through tenured supplier relationships and a dedicated commitment to customer service, the Company has been able to develop and maintain strong customer relationships with national and regional MSOs and local collision repair locations.
