We invest in opportunities, communities and people that are often overlooked.

Strategy

We target opportunities in the middle market with a focus on companies in the U.S. Hispanic market, founder and family-owned businesses, and companies with accretive M&A opportunities. Our intentional approach to value creation helps drive businesses to the next level in a responsible way.

People

Our team reflects the diversity of the communities in which we invest. We believe that embracing individual and unique perspectives contributes to a culture of success and leads to better outcomes for our investors.

Stewardship

We believe that doing the right thing for all of our stakeholders contributes to strong financial returns. This belief is hardwired into our DNA and is evidenced by our commitment to good stewardship in managing our investments.
